An archive will also be available for a limited time.

About Kulicke & Soffa

Kulicke & Soffa (NASDAQ: KLIC) is a global leader in the design and manufacture of semiconductor assembly equipment. As one of the pioneers of the industry, K&S has provided customers with market leading packaging solutions for decades. In recent years K&S has expanded its product offerings through strategic acquisitions, adding die bonding, wedge bonding and a broader range of expendable tools to its core ball bonding products. Combined with its extensive expertise in process technology, K&S is well positioned to help customers meet the challenges of assembling the next-generation semiconductor devices. (www.kns.com)
